SUBJECT: PUBLIC HEALTH INSPECTIONS

At the Board of Supervisors' meeting held March 6, 2012, the Board discussed Agenda Item No. 64 regarding the adoption of an ordinance implementing new Public Health fees. Mr. Panagiotis Theodoropoulos addressed the Board regarding concerns about the amount of time and fees charged for County health inspections in food establishments/farmers markets. During the discussion, Supervisor Yaroslavsky requested you to review the issues raised by Mr. Theodoropoulos including a review of staff's time conducting inspections and a comparison of the fees with comparable counties.

Enclosed is a copy of the "Request to Address the Board" form filled out by Mr. Theodoropoulos and a copy of the transcript to assist you in preparing your report.
